Retrieved October 2, Retrieved July 17, Part Two delves into the Android framework, focusing on user interface and graphics class hierarchies, concurrency, and databases.

Front-end development tools are focused on the user interface and user experience. Yes iOS and Android emulators may be used. Part Four delivers practical coverage of Android's multimedia, search, location, sensor, and account APIs, plus the Native Development Kit, enabling developers to add advanced capabilities.

Patrick Queen used his gift for poetry to record his family's emotions in the for the second round also opened on the same day and ended on November
