Trevor Paglen's Last Pictures | Art | Agenda | Phaidon

Humanity's longest lasting remnants are found among the stars. Over the last fifty years, hundreds of satellites have been launched into geosynchronous orbits.

Orbital Geography: Trevor Paglen's Cave Painting for Space

"The Last Pictures" art project was created by Trevor Paglen to travel into space on the Echostar 16 satellite, where it may last for a billion years.

The Last Pictures - Creative Time

"Just as the topology of space is at odds with everyday human experience, the 'time' of space is utterly foreign."

The Pictures - Creative Time

The Last Pictures, by Trevor Paglen, Creative Time) On November 20, Creative Time will launch an archival disc created by artist Trevor Paglen.

The Last Pictures: Interview with Trevor Paglen - Journal #37 September - e-flux

This heart-wrenching collection of photos are the last images taken of people's loved ones before their deaths. Some of the deaths were more expected, such as .
