Account Profile. Another version: 'A linguistic revolution? Allthatoveradecadewhenwomenhavebeguntoexpresstheirangerandagencyi Just a small glimpse into another culture was enough to keep me interested. One idea came to me while reading this post and its comments: what if we collect hundred most frequent words and combine learning them by rosetta stone method? I've often tried to make eye contact and say "hello" to my neighbours, but I've given up on that, simply because they prefer to ignore us.
