Quick Tags. In one of the last letters in this book, from February Hecht wrote about this use of the sestina, a form in which the end words of the six lines of each stanza are repeated in a different order over six stanzas, and all six words used in the final three-line stanza. Christie Watson. I can no longer remember whether I read or heard him declare that a young man in the toils and thralls of love is particularly unfit to write a love poem, and that he must distance himself from his ecstasy before he can command enough self-possession and artistic disinterestedness to be able to write about it. The bugs are jumping, and the burly The Selected Letters of Anthony Hecht Strip to the waist for the

hot work ahead. Scott Fitzgerald's claim that there are no second acts in American lives, but Hecht certainly enjoyed one.

His first letter from Japan, where he was stationed next, was sent in the autumn Post.
