For an agricultural community dependent on regular crop yields, the changing conditions could have been anything from stressful to catastrophic. Keep up the good work Patrolman Gemoules! According to University of Illinois professor of anthropology Thomas Emerson, however, Cahokia itself – and Monks Mound, specifically – indicates a far more sophisticated past than many people realize. Its men still moulded public opinion, and brawny white-clothed servants performed their duties. They created a city that was between six and nine square miles in area, with earthen mounds inside its rough borders. Alexandra Markum, former Olympic equestrian gold medal winner and powerful seer for the Cherokee race often struggles to accept the reality of her metaphysical capabilities.
