English Arabic.

In an earlier work³, he talks of "remarkable great figure vases, distinguished The presence of sacred plants such as corn and pumpkin, fruits of Mother Earth that are the main livelihood of the people, and in the same way, in its ritual context, could be understood as the signals of the rainy season to come. Ramo de Tierras : a voluminous collection of lawsuits regarding public and private lands and resources involving natives, Spaniards, communities, and religious, secular, and corporate institutions and agencies. Track Orders. The animism of objects is manifested in the material record through a series of habituated behaviors. The drops of rain which in this ritual

context are considered sacred and curative, are a manifestation of the divinity itself that at the same time give it form and substance.
