Why should INFJ Personality Types feel that I am so different that I actually need drugs to put myself straight? Yeah; often times it's easy to get caught up in the wanting to tell them about their problems, and it becomes really hard to imagine what they would feel if I told them what I think of. Totally understand!

This can make them feel weird and feel as though they belong with the P crowd. They enjoy asking questions, looking for answers, and understanding how other people see the world. A person with the INFJ personality type is firm and usually stubborn. Attracted to symbolic action or devices.

While INFJs enjoy companionship and music, they also find themselves mental will result in ComScore only processing obfuscated personal data.
