When a parent has died, the remarriage of the remaining parent may trigger unfinished grieving in children. The experiences of the Stepfamily Association of Victoria, in conjunction with the literature presented in this paper, indicate that research, policy development and practice need to take account of the differences between the stepfamily and the nuclear family. GettoKnowUs. Successful blended families take everyone's feelings into consideration and work together as a team. Children of all ages respond to praise and encouragement and like to feel appreciated. Being civil.
