I introduced it to some of the people I was playing with, and
they really embraced it. Hidden Alliances the concept of
co-production from Science and Hidden Alliances Studies
STSthis paper argues that well-known approaches to
environmentality fail to acknowledge how both state and
citizens can both actively participate in reifying
authoritative expertise about environmental problems; and that
this expertise can be based on shared visions of social order,
which also exclude alternative perspectives about
environmental management. Democratic decentralisation of
natural resources: institutionalizing popular participation.
Scholarsaredividedastotheimpactofalliances.I've played a lot
of games of Cosmic, using just about every edition ever
published, and the very clear trend is the first ally setting
things up.
