For the same price, this page of novels will give you entertainment for ten times of minimum. As with his other books, Kloos likes to lead us on action packed stories, with several battles, some introspective characters who are doing some soul searching, but at the end of the day, these are what they are meant to be, good Military Sci-Fi that are fun to read and really enjoyable. Project Measures of Absolution (Frontlines) 0 editions. By using this site, you agree to the Terms of Use and Privacy Policy. Retailer Links. By the time the reader is introduced to him again in Lines of Defense, I am also reading a Le Guin collection at the moment, and I noted from her introduction, "Often it seems that the more action there is, the less happens.
