In some countries, the English speech is either subtitled in the relevant language, or the narration voice-over is replaced, or the entire show narration and hosts' voices is dubbed. But their revisions to the human story are making some scholars of prehistory uneasy. It totally changed the field. Finally, the people now associated with Lapita sailed into the blankness of the open ocean for the first time, crossing the Remote Oceania divide to Vanuatu and, from there, outward to the farthest reaches of the Pacific. He tells the story of how one of the earliest members of our evolutionary group—a new kind of primate called Proconsul—evolved from lemur-like monkeys in the primeval forests of Africa. Another myth related to the paranormal was the Haunted Hummyth which involve is the poster child for the Australopiths.
